

# Mosaic Counseling Services

Hello current, potential, and past clients, Due to the "shelter in place" order from the governor, I will not use my office for face-to-face appointments.

Rather, phone sessions or walks in the Roslyn / Cle Elum area (at least 6 feet apart at all times) are available at this time (weather dependent). Also available is a HIPAA approved, confidential, telehealth service, so we can meet face to face online.

The best ways to reach me are via email at: [info@mosaic-counseling.com](mailto:info@mosaic-counseling.com), or text my cell: 509.607.9162. I check the office phone approximately once a week, (509) 674.5144, to pick up messages .

I wish you all well!

Please, please practice sheltering in place, wear your mask, 6' distance from other people, and continual hand washing / sanitizer use.

Take good care, and be kind to yourselves, Cindy

Gregory
